

PepBunny Labs — Certificate of Analysis

Laboratory Report

Product	Tirzepatide 30 mg
Batch ID (Lot)	PB-202605B
Analysis Date	May 3, 2026
Testing Lab	PepBunny Labs - Independent Division

Analytical Results

Purity (HPLC, UV)	99.8% (UV chromatogram)
Identity (Mass Spectrometry)	Confirmed - M+H observed at 4813.54 Da
Research Content / Bottle	30.33 mg

Methods Summary

Purity determined by High-Performance Liquid Chromatography (HPLC) with UV detection. Identity assessed by mass spectrometry (ESI). All measurements performed under standard laboratory conditions with calibrated instrumentation.
